

## APPOINTMENT CANCELLATIONS

Our office policy is a minimum of 48 hours for cancellations and rescheduling of appointments. Due to the length of time allowed for surgical procedures, we ask for one weeks notice for the cancellation or rescheduling of a surgery. Confirmation calls and mailing of postcards reminding of appointments are provided as a courtesy only.

Unless you are canceling your appointment for a "true" emergency (i.e. medical, accidents, for either you or immediate family) the following cancellation charges will be applied.

**CANCELLATION OR  
NO SHOW FOR APPOINTMENT  
\$100.00**

**CANCELLATION FOR ANY TYPE OF SURGICAL PROCEDURE—  
\$100.00 per ½ hour scheduled.**

These charges **ARE NOT COVERED** by any insurance. No further appointments will  
Be scheduled until cancellation fees are paid in full.

I have read and been informed of Dr. Nerio's cancellation policy.
